

CoachCare Lease

Every business faces financial issues. You have a limited amount of capital and you need it working for you. Let Wheeled Coach show you how to obtain your new ambulance and put it to work making money before you have to make a single payment. How? Through Wheeled Coach's exclusive 90-Day No Pay CoachCare Lease.

Here's what you can expect from the CoachCare Lease:

- ✓ Put the asset to work generating income before full payments begin.
- ✓ Competitive, fixed monthly payments begin after the initial 90 days.
- ✓ Terms of 24-60 months.
- ✓ Improved cash flow management.
- ✓ 100% financing for qualified buyers.
- ✓ Potential tax benefits

Offer is available for leases with \$1,000 Fair Market Value or 10% end-of-lease option and orders with a total of \$10,000 or greater (including soft costs such as shipping, warranties, etc.) After the initial 90 days, the lessee will make "regular" payments which together will fully amortize the amount borrowed less interest. Terms & conditions apply. Promotion begins August 1, 2007 and transactions must fund by October 31, 2007. Financing is available through Key Equipment Finance to qualified business customers in the U.S. Financing is subject to credit approval and execution of standard documentation. Key Equipment Finance reserves the right to change or cancel this program without notice. Please consult your tax advisor for details.

Wheeled Coach has partnered with Key Equipment Finance to give you this powerful new purchasing option. This is a limited time program, so act now!
